SECRETARY'S REPORT:

The secretary's report for the September meeting was posted to the website prior to acceptance by the membership.

TREASURER'S REPORT:

The treasurer's report for the September meeting was posted to the website prior to acceptance by the membership. Ensure your department head or whomever is responsible for payment of dues and conference fees has all of the paperwork necessary for prompt payment.

DELEGATE'S REPORT:

Rod Cameron reports that the whole delegates report is on the website, and is rather long. The Annual Business Meeting at Corning, NY. They need to approve the SEQR at the next meeting in order to begin approval process for the updating of the code book, starting with the comment period. Without major problems the updates could be voted on next year in March or June. It will likely be done in sections with the energy code being updated at a later time. ICC expressed their approval of NY's efforts to update their codes and working towards the approval of new code changes. They are working on a replacement for the SLMS system for code enforcement training. It will likely not have historical data, so SLMS may still be required for past training documents. Honorary NYSBOC membership applications were put in and accepted for Kevin Rank, Rod Cameron and Dave Metzger unanimously. The next ICC meeting will be in California.

EDUCATION:

Registration for the conference has already begun. There is currently a waiting list. If you are on the waiting list, cancellations will start moving the waiting list to the active registrants. The schedule has been finalized. Pete will be working on the hospitality room.

Scholarship reimbursements have gone out and all but one has been cashed.

The meeting was adjourned. The next meeting will be in the Town of Amherst on January 8th, 2025 at Kegler's Sports Lounge at Transit Lanes, at 7850 Transit Rd, Williamsville, NY 14221.
